I would like to request a book advance in the amount of $_________ for the Spring 21 semester.

PLEASE READ THE FOLLOWING:
The student is able to request up to $700.00 ($1100.00 if a nursing or biology student) only if the requested amount shows as a credit on the student’s account. This appears as a negative amount due on your bill. Once submitted and posted the bookstore will email the student when the request has been processed and is available for use. This can take 3-5 business days.
