

2022-2023 Verification Worksheet Independent Student

Your 2022–2023 Free Application for Federal Student Aid (FAFSA) was selected for review in a process called verification. The law says that before awarding Federal Student Aid, we must ask you to confirm the information you reported on your FAFSA. To verify that you provided correct information the financial aid office will compare your FAFSA with the information on this worksheet and with any other required documents. If there are differences, your FAFSA information may need to be corrected. You must complete and sign this worksheet, attach any required documents, and submit the form and other required documents to the office of financial aid in E-210. If you have questions about verification, contact our office as soon as possible at (201)684-7549 or email finaid@ramapo.edu so that you can avoid delays in your financial aid.
